**Supporting with Revision:**

Revision is vital for all students but it can lead to a great deal of stress and anxiety.

- Encourage your child to plan and organise their time. Start revision early to reduce stress later.
- Encourage your child to complete practice exam questions and their History teacher will be happy to mark them.
- Ask your child if you can help them by checking their knowledge or using flashcards to quiz them or they could use SENECA.
- Encourage your child to attend revision sessions and complete their homework
- Ensure your child has breaks, eats well and gets a good work/life balance.

**Revision sessions:**

**Every Tuesday 3:00 – 4:00pm  
in Room H5**

Attendance is essential to doing well in GCSE History. Those who attend do well in their exams!
